Sept 2015

BL2-Biodegradable Bagasse Sip Lid

Sovereign introduced the first GoodLife® bagasse sip-lid two years ago to widespread acclaim. Following on from the success of the first lid and listening to customer feedback, Sovereign has completely redesigned the lid and developed one of the most innovative and environmentally friendly products on the coffee market today!

Bagasse Sip Lid

Charity Work

TRANSPLANT SPORT↑

Transplant Sport UK have returned triumphantly from the World Transplant Games in Argentina with a total of 246 medals, claiming the overall winning title for the 20th games. Team GB & NI, joined 1000 other transplant athletes from 50 countries. 2 of the team, Emma Hilton, 25 year old heart transplant and Tony Scott, 73 year old liver transplant, both from Middlesex, have been supported by Sovereign.

2015 Transplant Games
